You are never a bother. Especially when you have the dates. Saves me lots of time. ☺

Sorry to bother you both, but I received a summons for a trial on October 17th and the ADA wants the discovery packet "at my earliest convenience". Normally not a problem, but I will be on vacation all next week (Oct. 3rd through Oct. 7th), so I am going to try and get it out today if at all possible. Thanks for your help.
